Wonderful Start
We have had a fantastic start to the year with a large influx of new students. All students are looking great in their uniforms and have settled well into school routines.

Early Action For Success
The teachers have been busy working with Mrs van Dartel and Mrs Coyle analysing current student data and using this data to work out the learning needs of each student. Students have also been setting Learning Intentions. These are specific goals students would like to achieve in the classroom. I’m sure your child would love to tell you about their Learning Intentions.

Royal Far West Visit
Yesterday we had four Speech Pathologists visit our school from Royal Far West to assess some of our students. Buninyong has been selected as the hub for the RFW van. There will be follow up visits throughout the year and teachers will be upskilled with strategies to support students. It is great to see city services coming to the country and our students receiving the care they need.

Bikes & Scooters
I have noticed that more and more children are riding scooters to school. While it is great to see our students being active, it is important that students wear a helmet if riding a bike or scooter to school. It is also a known fact that students under the age of 10 do not have the necessary road safety skills to independently ride to school. Let’s keep our students safe!

Meet and Greet
I’m looking forward to seeing everyone tomorrow night at our ‘Meet & Greet’ BBQ. This is a wonderful opportunity to meet the staff and enjoy a social chat with other families. Our SRC and Class Captains will also be inducted on the night.
