District Swimming Carnival
Congratulations to students and staff who braved the very wet conditions to represent our school last Thursday evening. Our students were very worthy representatives and all displayed excellent sportsmanship and swam their best. Nice job everyone!

The Western Swimming Carnival will be held this Friday, 8th March.

Personalised Learning Plan
Conferences
Our PLP Conferences will be held on Thursday 14th March. The format this year is a little different as conferences will be held in the school hall from 3.30pm to 7.30pm. Parents have been sent a letter asking them to nominate suitable times for an interview with their child’s teacher. Please return this to school as soon as possible. It is very important that parents/carers attend these conferences, with their children if possible, to discuss the learning needs of their child.

Safety Concerns
Again parents are reminded that the turning circle near the school gates is for the drop off and pick up of Special Education students. Police will be patrolling this area to make sure the traffic rules are being adhered to.

Head Lice
There has been some reported cases of head lice of late. Please check your child’s hair and if necessary treat the hair. Head lice can be very stubborn and repeated applications may be necessary. The washing of bed clothes and linen is also recommended. Once students’ hair has been treated, they may return to school.

We welcome our new students this week:

Please remember your Library bags on these days.

This year as a borrowing incentive, every child who borrows gets their name written down on a raffle ticket and pulled out randomly on Thursday. These lucky students then get to choose from Mrs Hall’s prize box.

Last week’s winner was:
Rory Cameron - Kindergarten Clownfish

Jody Hall - Teacher Librarian
