Three Way Conferences.
I would like to thank all those parents who attended our 3 way conferences last Thursday evening. It was refreshing to see parents, as a child’s first educator, engaging with their child's teacher and their child to plan for the learning year ahead.
If you haven't met with your child's teacher, please contact the school to make an appointment to discuss this years program and to determine learning goals for 2013.
As a thank you to those parents who met with us on Thursday evening we have a Family Zoo Pass to give away.
And the winner is.......Kainuku Family. Your pass can be collected from the top office.

Infants Easter Hat Making and Easter Parade
The celebration plans are underway and we encourage you to join your child for hat making on Wednesday 27th March at 1.45 pm in your child’s classroom. Please bring in any special items you would like to add to your child's hat. It is a fun afternoon which the children would love to share with you at school.
The parade will begin at 10.30 am on Thursday 28th in the hall - all parents are asked to join us. The parade will then be followed by the Easter Fete starting with a beaut BBQ lunch for sale organised by the P & C... then it is all the fun of the fair from 12 noon.

Donations for our fete.
To support our fete we are asking for white elephant stall donations; books, toys, bric-a-brac, good quality clothes and uniforms. Any donations of lollies, eggs for our raffle, tattoos, small prizes for lucky dips would be greatly appreciated. This is the school’s major fundraiser for the year, so please support this great event. All donations can be left at the top office or with your child’s teacher.

Trachoma Screening
Last Thursday some of our students were tested as part of a research project looking at the existence and spread of trachoma in children up to the age of 8. Trachoma is an infection of the eye. To support the return of permission notes we have two prizes donated by the Department of Health.
Winners are: Ipod NANO - Terri Lee Rankmore
Zoo Pass - Family of Shanell & Dennis Peachey

Representing the School - is a privilege not a right!
At Buninyong Public School we believe that all students must display the characteristics of a safe, respectful learner, both in and out of the classroom.
To represent the school at any event or in any team, students must display exemplary behaviour and attendance.
The schools core business is learning, and we believe our learning environment must be safe and respectful at all times.
This means students follow teacher’s instructions, treat other students respectfully and work positively with all adults who work in the school.
Students who are unable to be respectful or safe, stop others from learning, or who don’t complete their own learning, will be unable to represent the school.
Parents will be contacted if students are at risk of not representing the school. This will give the students time to become safe, respectful learners.

Positive Behaviour Learning Focus
This fortnight our learning focus will be speaking nicely and playing safely. This is must when we have visitors in the school.
