Congratulations
Well done, Lucy! Lucy showed great courage and determination. As a result, the school really got into the spirit of the fundraiser and helped contribute $647 to her cause. Thanks everyone for participating.

Selective High School Placement Information

Hats
No hat, no play ... That is our rule and from this week on, Students must have a hat. They can be bought at the front office. Both school bucket hats and caps are available. Hats are part of our uniform.

Walking Bus
The Buninyong Walking Bus started yesterday. Lorna, Craig Hill and Leigh Dargan will be "driving" the bus from 7.45 am around Apollo. Lorna and her art ladies made 4 great bus stop signs and have placed them around the area. Unfortunately someone thought it would be their job to smash 2 signs. They will be replaced and the bus will be stopping there during the morning on their way to Breakfast Club or school. There is a timetable on the back page.
So get yourself up and dressed and join the Walking Bus.
The bus doesn't stop at the shops, only at Breakfast Club. While the kids "are on the bus " they are expected to be safe, respectful learners.

MALPA Young Doctors Program
Young Doctors is a health leadership program which trains young people to be health ambassadors in their communities. It is designed and run by local Elders, respected community members and supported by health workers in each location. The program teaches leadership, hygiene, health literacy, nutrition and environmental health. This year about 400 Young Doctors will be trained in NSW, Victoria and the Northern Territory. The project is entirely funded by generous private foundations, corporations and individuals. We are seeking the involvement of interested community members in the establishment of a support group aimed at finding out about this program and working out the best way forward for your school and community. There is a get together for Buninyong Public School on Wednesday 5th November at 12noon in the back demountable.

Hair Checks
It’s head louse (Pediculus humanus capitis) season. Please regularly check your kids hair for signs. Make sure hair is tied up all the time, this helps prevent the spread of lice.

Save The Date
We are currently planning our Christmas Fete to be held on Tuesday the 9th December. If you have items you wish to donate to our school for the fete, please call in at the front office and the ladies will happily share your goods with the right class.
The fete begins at 11am and will conclude with the drawing of the Monster Christmas Raffle at 1pm. Money raised on the day will go towards new resources for the students to use in their classrooms.

PBL FOCUS
We do our jobs, we stay on task.
Snakes
With the warmer weather please be careful of snakes, especially in long grass.
