A BIG thank you to all our students who look fantastic in their school uniform. It is really appreciated that parents/carers are taking the time to ensure students are appropriately dressed for school. Just a reminder that students do need to wear covered shoes to school every day, especially sports day.

Kinder Transition
We have our littlest students attending school every Thursday and Friday this term until week 9. They are a beautiful group of children who have settled in very well. Transition allows students to meet new friends and acquaint themselves with the school environment. I think this is Mrs Coyle’s favourite time of year. If you know someone who hasn’t enrolled for Kinder 2015, please encourage them to do so by dropping into the front office and collecting an enrolment pack.

Evaluation
With this week’s school news there is a reflection sheet I am asking parents and community to fill in and return to the school. This information helps the school formulate plans for the following years. I thank you in anticipation for your support.

Walking Bus
Great to see so many students joining the walking bus in the mornings. When students are on the bus they walk to breakfast club with no stops on the way. Students will not be able to visit the shop before school.

Zoo Snooze
Stage 2 students are off to the Zoo for an overnight excursion on Thursday 20th November, leaving in the afternoon at 4pm. Please finalise your payments as soon as possible.

Bluey’s Reading
Don’t forget to go to Bluey’s Reading every morning in the library. Mr Farley has great prizes for the draw.

PBL Rewards
Congratulations to the all students who received a Zombie Chew last Thursday. This is a thank you for your great behaviour and your commitment to being a safe, respectful learner.

MALPA Young Doctors Program
Young Doctors is a health leadership program which trains young people to be health ambassadors in their communities. It is designed and run by local Elders, respected community members and supported by health workers in each location. The program teaches leadership, hygiene, health literacy, nutrition and environmental health. This year about 400 Young Doctors will be trained in NSW, Victoria and the Northern Territory. The project is entirely funded by generous private foundations, corporations and individuals.

We are seeking the involvement of interested community members in the establishment of a support group aimed at finding out about this program and working out the best way forward for your school and community.

There is a get together for Buninyong Public School on Wednesday 5th November at 12noon in the back demountable.

Infectious Disease
Please be aware that measles and chicken pox are evident in the community at the moment. If your child has any symptoms take them to the doctor as soon as possible so they can be treated. These diseases are highly contagious.

Fete Donations
Thank you for all the donations so far. We have successfully filled one hamper but still have three to go! We would greatly appreciate tin and packet food, Christmas ornaments, household cleaning products, tissues, baking goods etc.

If you wish to purchase raffle tickets for these wonderful hampers, send some money with your child or they can be purchased from the front office. Tickets will be sold on the day and will be drawn at 1pm. Tickets are $1 each.
Clontarf Foundation
Yesterday Yr6 students participated in a sports skills lesson with the Clontarf Foundation from Delroy Campus. The students participated in cricket and rugby league skills. The Clontarf Foundation supports Aboriginal boys as they enter secondary school. They implement programs that encourage attendance, increased self esteem and overall engagements. Next Thursday all of the boys in Yr6 will have the opportunity to display their talents and sportsmanship in an interschool touch competition at Delroy Campus.

Tea Towels
Our tea towels have arrived and they look amazing! We have some extremely talented students and teachers at Buninyong. Don’t miss out on this beautiful piece art created by your child. The tea towels are available to purchase from the office for $15. Pre-orders were handed out to the students yesterday.

Year 7 Transition to South Campus
Students transitioning to Dubbo South Campus have their transition day on Wednesday 3rd December 2014. Students will be arriving at South Campus at 10am and returning to BPS at 2pm. Lunch will be provided, students will have to bring their own morning tea.

If you have any enquiries please direct them to the South Campus Office on 6882 3744.

Uniting Church
Dubbo Uniting Church is running a 1 day program with a Christmas theme. This year it will be for pre schoolers and primary aged children. A fun filled day learning about Jesus’ birth at Christmas, including drama, craft and music. The workshop is on Saturday 6th December starting at 9am to 4:30pm with a cost of $15 per child. This will include morning and afternoon teas, lunch, drinks and craft. For more information and registration forms please contact the Church Office on 6885 4200.

Preschool Enrolments
Is your child turning 4 before 31st July 2015? Will they be attending Buninyong Public School? Is your child from a low income/pension family? Then come along to our

2015 Buninyong Preschool Enrolment Day
Wednesday 26th November
Time: 9.30 - 12
Where: Buninyong Preschool (next to the SaCC building). For more information drop in to us at preschool or contact us on 6882 0014
