Easter Raffle
Thanks to all those people who have contributed to our raffle. It is very much appreciated. Just a reminder about not selling raffle tickets by door knocking. Only a few tickets have been sent home for families to be part of the Easter celebration, so they can be sold to family and friends only. I appreciate your support but safety first.

PBL FOCUS
We follow instructions the first time.
How do I get my kids to bed and stay there?
Young children often want to stay in the adult world way after they should. Kids need plenty of sleep and parents need their own space and time away from children. Follow these essential guidelines for children's bedtimes:

- Distinguish between being in bed and being in the bedroom.
- Have a set routine such as 'quiet time, drink and story', which signals the end of the day and stick to it.
- Make bedtime enjoyable and fun so they want to go to bed.
- Be firm and resist procrastination and cries for 'one more story'.

Return jacks-in-the-boxes to their bedroom.
