Harmony Day
Thanks Mrs Hall for your organisation of this great day...
Working, playing, learning and eating together. That is what our school is all about.

Zoo Snooze
The Stage 3 students were having a great time at the zoo last night. On arrival they played with some animal friends that were a little slimy and scary. They were fed very well at the Billabong camping centre and enjoyed the adventures of a nocturnal animal spotting tour. They found wallabies, emus, quokkas, koalas and even an albino possum. Then they mixed it with a very friendly tiger. Dubbo is so lucky to have this amazing resource.

Dental Bus
The dental bus will be here today. Thanks to all those parents who have returned their notes. Your child will be checked over the next few days. If your child requires follow up treatment you will be contacted.

Forming a New Primary Class
Over the next few weeks we will be able to form a new class in the primary. This change will allow us to have approximately 22 students in each class. Parents will contacted if their child will be effected. We will try to minimise movement as much as possible. The new class will start in Term 2.

Excursions
Attending excursions is considered a privilege, not a right. This means that some children may receive a warning that they may not attend an excursion due to poor behaviour choices. If poor choices continue carers will be contacted to confirm exclusion. Any child on a red card will not be able to attend an excursion or sporting event while on that card.

Thank You
To our Special Education Unit Staff, you do a marvellous job! Thanks for giving our students so many extra opportunity outside the school.

To Allan Buck, Ross Scott and Jack Attenborough for making our school grounds so beautiful. You are very clever men.
