Winners are grinners
Congratulations to our two amazing choirs!!! First in the Eisteddfod to the primary choir and second to the infants choir. Mrs Hoogesteger is a gifted singer and teacher and she has demonstrated this through her training. A wonderful result from talented students and a wonderful teacher. Well done! That is what Buninyong is all about.

Why reporting to parents is important
The more you know about your child’s school, the more you will be able to support your child’s learning. There are communication channels available so you can be kept informed of your child’s experience at school. You can also arrange meetings with class teachers or the executive throughout the year. Student reports provide an overview of how well your child is doing at school.

You will have at least one formal interview with your child’s teacher/s each year.
If you have any concerns about your child’s progress throughout the year you can contact the school for an appointment and make a mutually convenient time to meet with the classroom teacher or year-level coordinator.
A parent-teacher interview enables you to: discuss how your child is progressing, both academically and socially, see examples of work, get to know your child’s teacher/s, stay informed about plans for your child’s future learning. So please, contact your child’s teacher for further opportunities to discuss your child’s progress.

Well done to the following students who ran very well at Dubbo District Athletics and who are going on to Western Cross Country Trials in Wellington on Wednesday 11th June:
Koada Giblin, Jake Chandler, Emily Fardell. Keep up the training and we wish you well.
