Stage 2 Kitchen
We made Buninyong Bruschetta using our fresh produce grown in our garden. The ingredients we used were: capsicum, onion, basil, tomato, bread stick, white vinegar and lemon juice.

Method:
1. Dice capsicum, tomato and onion. Place in a bowl.
2. Shred basil very finely. Place in bowl.
3. Mix 2 table spoons of vinegar with the juice of half a lemon and pour over vegetables in bowl.
5. Spoon mixture on top of bread.

Stage 3
Lots of Stage 3 students have not been wearing correct school uniform. As leaders of the school, Stage 3 are role models for the other students and therefore need to wear the correct uniform. School uniforms are available for purchase from the office. Make up is also not a part of our school uniform and is not to be worn to school.
5/6 Sydney Excursion
The year 5/6 Sydney excursion is definitely going ahead so continue to make regular payments for the excursion.
