Congratulations
Well done Jake Chandler representing Western Region at the State Cross Country at Eastern Creek. This is a wonderful experience for all athletes. Jake said “I had lots of fun”.

A reminder
At the front of the school hall there is a grass area that holds a memorial for one of our community members who worked tirelessly to establish Buninyong PS in its early years, Bub Towney. I ask that it is not used as a football field in the afternoon as there has been damage to the story poles. Thank you for your cooperation.

Celebrating the 60th Anniversary of Education Week
You are invited to attend our celebration next week. The theme will be “Lighting the way to a better world”

Education Week Assembly
There will be awards, entertainment and recognition.

Unreal Reading Challenge
We ask each K-2 and Special Education student to invite someone into their class to read to them and to be read to. The sharing of books is one of the most important things we can do to improve achievement at school. Books develop a greater understanding of language conventions, vocabulary, general knowledge and research skills. Look for your invitation.

Discovery Night
Discovery Night is a unique and innovative way of participating in your child's learning. Your child will share their knowledge and involve you in this fantastic experience. All students 3-6 will be active participants in Discovery Night, so their attendance on the evening is paramount. Discovery night will be held from 5:30pm-6:30pm on Thursday 31st July in the classrooms.

Infants and Special Education Athletics Carnival
Join us Friday at 12noon for an afternoon of races and games.

**Cool Kids Crunch&Sip®!**

Don't forget the bottle of water and fruit or vegetables for Crunch&Sip® everyday!

**Is dried fruit OK for Crunch&Sip®?**

Although fresh fruit is the best choice, a small amount of dried fruit (eg sultanas or apricots) is an acceptable Crunch&Sip® option.

Dried fruit tends to cling to the teeth, so is best eaten with a meal or when a toothbrush is handy.

NOTE fruit straps, bars or rolls are NOT permitted as they contain large amounts of sugar.

5 reasons to pack a mandarin for Crunch&Sip®

1. They are sweet and juicy. Kids love them!
2. They are nutritious - full of vitamins and fibre
3. They come in their own biodegradable packaging
4. They don’t bruise easily
5. They are a perfect size for kids to eat during Crunch&Sip®
