Welcome back for term 4. I hope you had a wonderful holiday. The second week’s weather was delightful. Today 38 of our students will attend the Dubbo Regional Theatre to watch Roald Dahl’s Revolting Rhymes. All students who completed their classroom Bluey’s Stars sheets went into the draw for the prize. Mr Farley and Miss Cameron will be attending with the students.

**Staff Changes**
Miss Melinda (Min) Quayle will join our staff for the rest of the year replacing Mrs Samantha Coyle who is on maternity leave. Looking forward to having Min join our team. Mrs Jessica Hoogesteger will also be back for 2 days a week to help with the Kinder Start program.

**Kinder Start**
Our littlest students will begin their transition to school from week 2 on either a Thursday or a Friday. Mrs Coyle and the Kinder team will be sending out letters this week welcoming the students and their families to big school.

**Big Thanks**
On the last day of term 3 we were treated with a great display of talent and student organisation when Brooklyn Kuinuku and Carla Pettersen organised **Buninyong’s Got Talent.** It was a wonderful display of the skills of students as organisers and the talent that we have in our school. We had students from Stage 1 to Stage 3 performing in front of the whole school. Congratulations girls and performers. Craig Hill also made a guest dance appearance and nearly stole the show.

**Homework Centre**
The Homework Centre will resume in week two of this term.

**A Case Of Discovery**
This is open to all students in years 3-6. Science workshops bring classroom science to life and enhance the learning experience by allowing students to take on the role of a Forensic Scientist and solve real life crimes. This will be on **Thursday 15 October 2015.** We have limited numbers available so to secure your spot, please pay your $10 to the office as soon as possible.

**Swimming Program**
The swimming program is coming! The program will run from 9 to 20 November (week 6 and 7) and the cost will be $30. The scheme focuses on students in years 2 to 6 with preference given to years 2 and 3. Numbers are limited to 40 students. Permission notes will be out soon.

**Kindergarten 2016**
We are still taking enrolments for Kindergarten 2016. If you know of anyone who hasn’t enrolled yet, please ask them to call in for an enrolment package. The preschool and Apollo also have some.

**Roald Dahl Report**
What a success! There was lots of laughter & the children were totally engrossed in the performances of the 4 actors who each played 10 parts. A particular favourite was Little Red Riding Hood blowing up a little pig in order to make a bag out of him! Well done to the attending students, who displayed great behaviour.
