This week sees more transition activities for the oldest & the youngest students at our school. Year 6 are off to their respective high schools as well as a combined school touch football competition on Thursday, to be held at the touch ovals. Mrs Coyle will again be hosting kinder start in the hall on Thursday and Friday.

**Musica Viva**
Wednesday morning we will have this fantastic show performing in the school hall. These performers are world class musicians that are part of a program that teaches creative arts to all students through music. The cost is $5 per student. See you there.

**Class Captain Assembly**
Thanks to those parents & carers who came to school to pin leadership badges on their child. No greater honour than to be recognised by your peers as a safe, respectful learner. Lovely to see you at morning tea after the ceremony. Congratulations to our Class Captains for term 4, Simone Unverhau, Chloe Lacrosse, Tayarnah Kennedy, Holdan Burey, Tanieka Whitney, Youssef Elkacimi, Jye Draper, Ashley Kassell, Mackenzie Bruce, Jake Chandler, Patrick Shillingsworth, Nicholas Campbell, Barry Toomey.

**Blueys’ Buddies**
We have a new leadership role in the school beginning this week. Year 5 students, who volunteered, went through an interview process to be an additional support in the playground. Their role is an information only role, they are on the lookout for people in the playground to assist. This is a training ground for those who want to be leaders next year on the SRC.

**Launch of the Pizza Oven & Mission Mental Health Video**
Thanks to Apollo House, Lorna & her busy group of cooks we will be launching our pizza oven on Thursday at 11.30am, followed by an assembly to show the new video featuring many of our students. This video highlights the importance of keeping yourself well both physically & mentally. Anne van Dartel

**P&C Meeting**
The next P&C meeting will be held this Wednesday, 28 October at the new time of 4pm.

Popcorn, jelly / custard cups, fruit salad cups, nutrigrain, choc chip cookies, muffins.

**Whooping Cough**
Please be aware that reported cases of Whooping Cough are on the increase. If you think you or child may have this bacterial infection it is important for you to see a Doctor immediately.

Whooping cough usually begins like a cold with a blocked or runny nose, tiredness, mild fever and a cough. The cough gets worse and severe bouts of uncontrollable coughing can develop. Coughing bouts can be followed by vomiting, choking or taking a big gasping breath which causes a “whooping” sound. The cough can last for many weeks and can be worse at night.

Some newborns may not cough at all but they can stop breathing and turn blue. Some babies have difficulties feeding and can choke or gag.

Older children and adults may just have a cough that lasts for many weeks. They may not have the whoop.
