Thanks to everyone who took part in PSSA sport last week, it was a week of students showing great sportsmanship and team work. A teacher from another school complimented the senior boys team on their positive behaviour.

Congratulations boys. Matt from AFL also congratulated the students at school sport on their skill and determination. He loves coming to our school as everyone has a go.

Swimming Testing Day
Students are reminded that we have swimming testing day this Wednesday, 4th November at the Dubbo Aquatic Centre. Students are requested to wear their swimmers under their uniform as the bus will be leaving just after 9am. Students are also requested to bring a towel, water bottle and underwear to change into after they return.

Attendance at School
It is a requirement that all students attend school every day. If there is an issue or an illness that stops a child attending school a note must be sent to the class teacher explaining their absence, all unjustified time away from the classroom results in a decrease in learning.

Head Lice
With the change of season we have had a few cases of head lice reported. Please ensure you check your children and other family members. Local pharmacies and supermarkets have many options for head lice treatment.

Walking Bus Celebration
We will be celebrating the 1 year anniversary of the Buninyong Walking Bus, on Wednesday 11 November with a breakfast in the SACC at 8am. This will also incorporate the launch of the new Walking Bus signs.
