With the weather hotting up please remember to pack a drink of water and a hat for your child. Water is permitted in all classrooms. This crazy climate is a real challenge for the students at the moment, some are still in jumpers in the morning and by afternoon are steaming hot.

**Bikes and Helmets**

It is still a requirement by law that anyone riding a bike needs to wear a helmet. We have had a few little people riding to school without a helmet. This is a very dangerous practice, especially on Myall Street. So no helmet, no bike riding! Thanks for your co-operation.
