Three Way Conferences
Looking forward to seeing you all this afternoon, when you meet with your child’s class teacher at conferences. This is an excellent chance for you to review and plan for the next 6 months of school alongside your child’s teacher and with the input of your child. Taking ownership of their learning is vital for learning success.

Homework Centre
Thanks to those parents and carers who have supported this new service. It is great to see so many participants who are looking to improve their results by doing that little bit of extra work. Please contact your child’s teacher if you wish to discuss attending homework centre.

Education Week
Staff are looking forward to seeing you during the week, as we celebrate Education Week.
Tuesday - Riding for the Disabled open to parents to join us.
- Three way conferences in the hall for all students.
Thursday: Leadership and Education Week Recognition Assembly. Stage 1 dance group performing.
Friday: SRC fundraiser for Riding for the disabled. Students are asked to collect coins to contribute to covering a large drawing of a horse in the playground.

Vegetable for sale!
Mrs Agnew and 3/4 A will be selling their school grown vegetables on Thursday at the AEO room from 2.30pm. Produce for sale includes, silver beet, cauliflower, broccoli, flat and curly leaf parsley and cabbage.

Earn and Learn
Please keep your stickers coming in as the school uses the points to buy lots of resources used in the playground. Last year we bought large trucks, planes, prams, dolls, zoo animals and skipping ropes. Our little people love them.

Canteen News
We are having a lunch special on Thursday 30 July for Education Week.
Special 1. Sandwich of your choice, popper and a piece of fruit for $3.50.
Special 2. Hot dog, popper and a piece of fruit for $3.50.
Please return the order form by Wednesday morning.
We will also have a lucky draw of a Smiggle voucher.
