NAPLAN
This week the NAPLAN results have been released, they will be sent home for students in Year 3 with school news, year 5 results will go home with students after they return from the excursion. If you would like to discuss the results with your classroom teacher, please contact the office to make an appointment time, keeping in mind, that this is one test, on one day, which creates quite a lot of stress for some students. I always try to focus on what else matters for students in the school environment; friends, play, sport, music, health and happiness. Children are subject to so much pressure in their early years that we forget the important things that build character and personality. NAPLAN results are a snapshot in time, the markers don’t know students personally and they don’t know their story. I’m happy to discuss results but it is so important to celebrate successes and look for ways to work together to build the skills needed for later life, as NAPLAN is not the be all and end all of schooling.

Stage 3 Excursion
The Stage 3 students are having a great time even though it is a little wet. They will have many stories to share upon their return. Updates will be on Facebook, as will confirmation times of arrival back at school.

Book Week and Book Fair
Big thanks to Mrs Chippendale and the team for a great parade and Book Fair. The Fair allows the school to buy many resources to be placed in the school library for the students to borrow. Thanks to parents and carers for supporting our parade by dressing their children so they were part of the day. It was lovely to see so many of you here and celebrating with us.

Western Carnival
Good luck to our athletes competing on Friday at The Western Athletics Carnival. I will be there cheering you on. Please make sure you return your permission notes to me to sign and pass onto the team manager before Friday.

Anne van Dartel
Principal
