It’s a great week of learning ahead for all students starting with a celebration of Aboriginal culture, **NAIDOC Day.**

On Thursday there will be a disco for students held in the school. Invitations will be distributed during the week. K-2 will go from 4.30pm to 5.30pm & years 3-6 from 6.00pm to 7.30pm. Come dressed in red, black & yellow! The cost will be $5 & includes a drink & a packet of chips. Thanks to the SRC for organising this.

**Age of Fishes is Amazing!!!**
Stage 2 students had a wonderful time at the **Age of Fishes Museum** in Canowindra. They saw ancient fish fossils, found out some really interesting information, did puzzles & played the rods & fishes game. They didn't want to leave! Congratulations to all of you, you represented your school very well & I have nothing but praise for your behaviour & attitudes towards learning & working as a team.

**Kids Teaching Kids**
This week 12 students from stage 2 will be involved in the Kids Teaching Kids program at Dubbo South on Thursday. Good luck to all of you & thanks to Mrs Agnew for your organisation. We’re looking forward to your stories.

**PSSA—Term 4**
Thanks to our P&C who have generously offered to pay for our bus travel to sport each Friday. They have been raising money to support students at the school & thought this would be a great way to support parents and students, so term 4 sport will have no cost.
