Welcome back to Buninyong for another year of learning and laughing. This year all our classes are named after countries. This is a great way to learn about the world, language and customs. It is also an Olympic year, so a great introduction to new countries that Australia will compete against in many sports. Our Facebook page has some great examples of what the staff have been preparing during the holidays for students to begin their world wide learning. Welcome to our new students and families joining our school community. I’m looking forward to meeting you all and we invite you to join our P&C group.

Today is the first day that all of our Kinder students will be at school. Mrs Coyle, Miss Barbary and Mrs Hoogesteger have enjoyed sharing the first days of school with our littlest Buninyongers.

Thank you to all those parents who support the school in a positive way. Having your child in uniform, at school on time and ready for learning with a smile on their face, is very much appreciated and allows us to do our job from the get go everyday.

If you need to discuss any issues that arise with your child, please contact the school to make an appointment with the relevant staff.

Welcome to our new staff
Min Quayle is the teacher of Year 6. Steven Leask, Keeley Dwarte and Rachel Wykes all three Learning Support Officers, are students of the Senior Campus completing a gap year before venturing off to university. Maria Mackay has also joined the Support Unit team as an SLSO.
