Stage 3 Excursion

Dear Parents and Caregivers,

This year the Stage 3 major excursion will be to Red Hill Environmental Education Centre.

Red Hill Environmental Education Centre aims to provide students with learning experiences that will promote a connection with, and an understanding of, all aspects of our environment.

The Centre is based in the historic gold mining town of Gulgong in central west NSW and conducts programs based on the unique historic and environmental features of the area.

The three day program looks very exciting, with historical re-enactments, setting up bush camps, campfire lunches, bush tucker, and Aboriginal art workshop as well as exploring an old gold mine. There is even a trip to historical Hill End.

Wow the children will have so much fun and learn so much about the past at the same time.

The excursion will be from Tuesday 2nd to Thursday 4th August 2011.

The approximate cost will be just under $200.00.

If you would like your child to participate this wonderful learning experience could you please fill in the permission note below and include a deposit of $50.00 by the 6th May to hold a place.

More information will be send home closer to the time of what the children will need to bring.

You are more than welcome to than continue to pay off the excursion at a rate that suits your budget as long as the final payment is made by July 22nd.

It is a privilege not a right to attend any excursion. The school has the right to withdraw excursion privileges for any child whose behaviour is deemed unacceptable. Only those students who are safe respectful learners will participate in excursions.

Yours sincerely

Anne van Dartel
Principal
